A. Student Regent Recruitment

B. Student Feedback Received

a. Study Space at Parnassus Library

The project to enable 24/7 access to the whole 3<sup>rd</sup> floor of the Parnassus library is still in the works. The library is nearing much closer to completion of the construction project and are excited to implement this expanded access in 2025.

b. Resources for students at Fresno (Lyft, Pantry, Food Market)

Students would like Lyft pass benefits to be extended to the Fresno campus for those who have rotations at that campus. Bay area clipper pass is not working anymore for some people...Jennifer and other students will reach out to transportation to get that resolved. There are usually about 15 students that rotate in Fresno and others that come and go, etc.... Food is readily available for these students but they are also asking for student food market to be put in that campus.
