documentary, but they were banned for doing so. There are worries across campuses that it might happen again. UC is suing in order to retain funding from the NIH.

Dentistry Representative – Monneca Rim – no updates

- F. Graduate Division (Basic Sciences) Representative – Thu Pham. Received lot of feedback from graduate students regarding the wording of the referendum – which was confusing for the students. Some students voted against the referendum due to misunderstanding of the ballot. ASGD took action by clarifying via email for students. More resources to understand the referendum would be helpful in the future. Other updates: financial literacy seminar and coffee hours hosted this term. Asking about RCO guidelines – Jennifer clarifying that ASGD can make their own RCO funding guidelines. ASGD elections are starting later in the year.
